Mass. Form 7 1m

FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to as requested in petition of said company dated the 31st. day of July, 1911.

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked Ch-1, to be filed with this order. There may be attached to said poles not to exceed 6 wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

1 pole on Bartlett Street at lot line north of Parkhurst's residence

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the twelfth day of Sept, 1911.

D Frank Small
Clerk of Selectmen.

Chelmsford, Massachusetts. Oct 16, 1911.

Received and entered in the records of location orders of the Town of Chelmsford, Book 1, Page 31

ATTEST:

Edward J Robbins
Town Clerk.

We hereby certify that on Sept 12, 1911, at 8 o'clock P. M., at Chelmsford, a public hearing was held on the petition of The New England Telephone and Telegraph Company of Massachusetts for permission to erect the poles, wires and fixtures described in the order herewith recorded, and that we mailed at least seven days before said hearing a written notice of the time and place of said hearing to each of the owners of real estate (as determined by the last preceding assessment for taxation) along the ways or parts of ways upon which the company is permitted to erect poles, wires and fixtures under said order. On and that thereupon said order was duly adopted.

IN BOARD OF SELECTMEN

Chelmsford *Massachusetts,* October 3, *1911.*

VOTED: That The Lowell Electric Light Corporation of Massachusetts be and it is hereby authorized and permitted to erect and maintain poles and wires to be placed thereon, together with such supporting and strengthening fixtures and wires as said Company may deem requisite, in the streets and highways of said town as hereinafter designated. A plan of locations hereby granted is to be filed.

All constructions under this permit shall be in accordance with the following specifications: The poles shall be located between the travelled driveway and the limits of the highway, and shall be of wood or other suitable material, and the wires shall be run at the usual height and along and across the highway. After the poles and wires have been located as specified in this permit, alterations shall be made in the location or erection of the poles, and in the height of the wires, if so directed by the Board of Selectmen.

Following are the streets and highways above referred to:

Order upon Joint Petition of The Bay State Street Railway Company

and

THE LOWELL ELECTRIC LIGHT CORPORATION

For Joint or Identical Location of Poles.

Town of Chelmsford

April 5, 1913.

IN BOARD OF SELECTMEN,

ORDERED: Notice having been given and a public hearing held as provided by law, that the Bay State Street Railway Company, and The Lowell Electric Light Corporation be and are hereby granted joint or identical locations for and permission to erect and maintain joint poles with such wires and fixtures thereon as may be necessary from time to time in the transaction of their business, as follows, and as requested in their Petition dated April 5, 1913 .

On the southerly side of Middlesex St. near Gay St. , 3 poles.

The said poles to be located substantially as shown on plan numbered 59250 on file with this Board

I hereby certify that the foregoing Order was adopted after due notice and a public hearing, as prescribed by Chapter 509 of the Acts of 1911; to wit, after written notice of the time and place of the hearing mailed by the Selectmen at least seven days prior to the date of the hearing to all owners of real estate abutting upon that part of the way or ways upon, along, across or under which the lines are to be constructed under said Order, as determined by the last preceding assessment for taxation, and a public hearing held on the 19 day of April 1913, at Town Hall No Chelmsford in the said Town.

D Frank Swan

Chairman of the Board of Selectmen.

I hereby certify that the foregoing is a true copy of the Order of the Board of Selectmen of the Town of Chelmsford duly adopted on the 19 day of April 1913, and of the Certificate of Notice and Hearing thereon required by Chapter 509 of the acts of 1911, as recorded in the location records of the said City, Book 1 Page 35.

FORM OF ORDER FOR JOINT POLE LOCATIONS.

48

In Board of Selectmen for the Town of Chelmsford, Massachusetts:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts and the Lowell Electric Light Corporation Company be and they are hereby granted a joint or identical location for, and permission to erect and maintain a joint line of poles, and their respective wires and fixtures to be placed thereon, together with such sustaining or protecting fixtures as the business of either of said companies may require, in the public way or ways hereinafter referred to, as requested in petition of said companies dated the 10th day of July, 1913.

All construction work under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked L.J.-45 Proposed joint poles of N.E.T. and T. Co. and The Lowell Elec.Lgt.Corp. to be filed with this order. There may be attached to said poles by said The New England Telephone and Telegraph Company of Massachusetts not to exceed 5 pr. paired wires, and by the said The Lowell Electric Light Corporation ~~Company~~ not to exceed Six (6) Single Wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected under this grant:

(Poles set)

3 poles on High Street from Acton Road to residence of Alvin Fletcher

Mass. Form 11 3m 90294-T

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the 9th day of Aug., 1913.

FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF West Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to as requested in petition of said company dated the 13th day of Sept., 1913

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #25 Proposed pole locations of N.E.T. and T. Co. Date - Sept. 13, 1913

64

to be filed with this order. There may be attached to said poles not to exceed 12 open or 6 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

21 poles on West Chelmsford Road from School Street to residence of James A. Peck

FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to as requested in petition of said company dated the 5th day of June, 1914

95

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #36- Proposed pole locations of N.E.T.& T. Co. Dated June 5, 1914 to be filed with this order. There may be attached to said poles not to exceed 12 open or 6 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

6 poles on Acton Rd. between Carlisle Rd. and end of present line

FORM OF ORDER FOR JOINT POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF CHELMSFORD, MASSACHUSETTS;

ORDERED;

Notice having been given and a public hearing held as provided by law, that The Lowell Electric Light Corporation and The New England Telephone and Telegraph Company of Massachusetts be and they are hereby granted a joint or identical location for, and permission to erect and maintain a joint line of poles, and their respective wires and fixtures to be placed thereon, together with such sustaining or protecting fixtures as the business of either of said companies may require, in the public way or ways hereinafter referred to, as requested in petition of said companies dated the 14th day of June, 1914.

All construction work under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked "Pole Location C 161", to be filed with this order. There may be attached to said poles by said Lowell Electric Light Corporation not to exceed eight (8) single wire attachments, and by the said New England Telephone and Telegraph Company of Massachusetts not to exceed wires and all of said wires shall be placed at a height of not less than twenty (20) feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected under this grant:

Manning Place, East Chelmsford, between residence of E. A. Bartlett and Riverneck Road, one pole.
